

# Wilderness Grace

*Peterson Avenue Version*

For food, for raiment,  
For life and opportunity,  
For friendship and fellowship,  
For all the Peterson Avenue street vendors, including:  
    The cotton candy man on Spring days,  
    The ladies with pushcarts full of warm Empenadas,  
    The watermelon guys in July,  
    The peanut man with bags of salty snacks,  
And all other vendors who toil in sun, snow and rain to  
provide curbside access to a multitude of foods (*as well  
as some automotive parts*) along Peterson Avenue.  
We thank thee, oh Lord.

Amen
